+ SUMMARY

Greetings of the day! I am Nischal Tamang, currently working as an IT Officer in Kantipur Management Private Limited. As an IT Officer, I possess knowledge and experience in various aspects of networking and the responsibilities handled by an IT administrator. I have knowledge of configuring routers, switches, firewalls, and access points, as well as managing network protocols, such as TCP/IP, DNS, DHCP, and VLANs.

My knowledge of networking and IT administration enables you to efficiently manage and maintain the organization's technology infrastructure.
